

2011 Official Rules

2011 Tournament Rules and Regulations

All decisions of the tournament director are final and may not be protested. Any questions concerning the interpretation of the rules, procedures or appropriate action must be directed to the Tournament Director exclusively.

At any time the tournament director, may impose a penalty he/she deems appropriate for any violation of the rules, procedures or sportsmanship code. Penalties, disqualifications or expulsions will be issued without the refund of any of fees or dues.

Penalties for rules violations may include but are not limited to the following:

- Loss of the total day's weight or any portion thereof.
- Disqualification from the tournament in question.
- Disqualification for a specific period or number of future Renegade Bass events or potentially a lifetime expulsion,

ELIGIBILITY

In addition to all of the required documentation, initiation fees, membership dues and all applicable tournament expenses must be paid prior to participation in any Renegade Bass event. All anglers must be at least 16 years of age before they are eligible to participate in a Renegade Bass event. Any angler less than 18 years of age may only participate with an adult (>18 years).

The Renegade Bass Executive reserves the right to decline an application or revoke an existing membership at any time.

TOURNAMENT HOURS

Qualifying tournaments and Day 1 of the Classic will be from 7:00 a.m. to 4:00 p.m. Day 2 of the Classic will be from 7:00 a.m. to 3:00 p.m. During the period of 4:00 p.m. to 7:00 a.m. between day 1 and day 2 of the back-to-back qualifiers and the Classic, no tournament participants may fish on the tournament body of water.

Tournament headquarters will be open at 5:00 a.m. for registration. Tournament officials have the right to delay, shorten or cancel the start of an official tournament day due to inclement weather or any other factors that may endanger the safety of the competitors. Tournament waters may also be restricted at any time because of potentially dangerous conditions.

In the event that a qualifying tournament must be cancelled, the pre-determined "rain-day event" will serve as the date and location for the make-up tournament.

If Day 1 of the Classic must be cancelled, Day 2 will serve as a one-day championship weather and conditions permitting. If Day 2 of the Classic must be cancelled despite the successful completion of Day 1, the championship will resume on the following Saturday at the same location.

EARLY WEIGH-IN

An early weigh-in period will be available from 2:00 to 2:45 pm during each qualifying tournament for the teams wishing to be off the water before 4:00 pm. Only those boats which can be safely processed during that period will be accepted under the discretion of the TD. Once that period has elapsed, the remaining boats (if any) will be obligated to proceed (at 4pm) with the standard weigh-in protocol and follow their block assignments. The tournament director will inspect the fish during the "early weigh-in" but reserves the right to hold any fish to be checked by the official fish inspector at 4:00 pm.

In an emergency situation where teams are unable to remain at the tournament head quarters until 2:00 pm, the team's fish will be securely contained with water, and placed in an aerated holding tank or the live release boat (if available). These fish will be weighed during the "early weigh-in" commencing at 2pm. In an emergency situation where teams arrive after 2:45 pm and cannot remain at tournaments head quarters till 4:00 pm, the team's fish will be securely contained with water, and placed in an aerated holding tank or the live release boat to be weighed at 4:00 pm. In either situation, Renegade Bass will exercise the greatest reasonable care however the Association can not assume responsibility for the fish. And the team(s) in question will always be ultimately responsible for any dead fish and subsequently will be assessed any applicable penalties at the time of inspection and weigh-in.

OFFICIAL COMMUNICATION

Renegade Bass will utilize the website and message board for any and all official announcements exclusively to reduce paper consumption and minimize or eliminate direct mailings.

TOURNAMENT WATERS

Only waters, which are accessible by boat from tournament headquarters, and in accordance with MNR regulations may be fished during an event. No locking will be permitted.

CELL PHONES, PAGERS, OR ELECTRONIC COMMUNICATION DEVICES

Cell phones, pagers, or electronic communication devices may only be used in the event of an emergency.

ELIGIBLE SPECIES

Only largemouth and smallmouth bass greater than or equal to 12 inches in length (measured from tip of tail to tip of nose) are eligible for tournament weigh in. Five fish, in any combination, may be weighed in.

TACKLE & EQUIPMENT

Only artificial lures, including pork rind, may be used at any event. Trolling is not permitted.

BOAT & MOTOR

All boats must be equipped with a functional livewell (or facsimile pre-approved by tournament officials). All teams must wear approved personal floatation devices whenever they are under power of the combustion engine. All boats must be equipped with a functional kill switch, which must be worn by the driver of the boat while under power of the combustion engine.

All boats must have an accessible US or Canadian Coast Guard capacity label.

Boats will be subject to a pre-tournament inspection. No team will be allowed to fish unless their boat has been inspected.

SCRUTINEERS

For any tournament, the Tournament Director may assign any team a scrutineer. Refusal to accommodate set scrutineer may result in immediate disqualification, and may also include a potential expulsion for all future Renegade Bass events without the possibility of a refund.

All the anglers who qualify and participate in the Renegade Bass Classic must fish from a boat that can safely accommodate 3 people in the event that the Tournament Director assigns you a scrutineer. All of the existing Municipal, Provincial, Federal and Renegade Bass rules pertaining to your fishing vessel still apply.

Scrutineers will observe the competitors and have been instructed to report any perceived rule infractions to the Tournament Director immediately following the boat "check-in".

With nothing to report, scrutineers will remain with their assigned team until they have completed the weigh-in process.

If in the event of an emergency associated with a team's scrutineer, the Team is obligated to contact the Tournament Director immediately for instructions.

REQUIRED DOCUMENTATION

All documentation including registration forms, waivers, proof of insurance, and proof of boater's safety course must be submitted prior to June 15, 2011. Failure to comply will result in disqualification from the first qualifying tournament without the possibility of a refund.

All Teams must submit a photocopy verifying proof of insurance for all boats to be used in the series.

All insurance waivers must clearly identify; the vessel, engine and date in effect and must include at least 1 million dollars in liability coverage for the user of the boat.

Participation in the 2011 Series requires all boat operators to possess a safe boating card. If a team member makes a substitution and the substitute will act as the operator, then that substitute must possess a safe boater's card to be eligible. All competitors are responsible to ensure that the executive have a photocopy of their boater's card. Verification that Renegade Bass has the required documents can be made on our website.

STARTING POSITION

All entries received by Renegade Bass on or before December 1st will be eligible for the Early Bird Draw for their starting positions. This will also include mailed entries clearly identifying a post mark on or before the aforementioned date. In order to qualify for the draw, all of the required documentation must be accompanied by a \$350.00 (CDN) deposit and a post-dated cheque (June 1st) for the balance. A random draw will determine the starting positions of the members participating in the Early Bird Draw. In the event that following the Early Bird Draw a team is created from two individual anglers whom entered the draw separately, the newly formed team will be assigned the later (bigger) starting number. All subsequent starting positions will be sequentially assigned as the fees and required documentation are received.

All \$350.00 (CDN) deposit cheques are non-refundable after December 1st.

All post-dated cheques for the remainder of the balance dated June 1st are non-refundable after June 1st.

TEAM IDENTIFICATION

Team identification numbers must be placed exclusively on either side of the **cowling** as depicted in the instructions accompanying the cowling markers. A third starting number sticker will be placed on the stern of the motor cowling.

STARTING PROCEDURES

Each team will take their boat to the designated ***boat check area*** where the boat will be inspected and registered by the shore crew. **All** boats must be officially inspected before they can participate in the tournament. Each event will commence with a trickle start in order by team number. Specific instructions modifying the starting procedures may be communicated at each event by the Tournament Director. No team will start fishing until their number has been called. Please check the website prior to every event for the updated Tournament procedures.

SUBSTITUTIONS

There will be one substitution allowed per team member per year. The substitute must be a member in good standing of Renegade Bass. The team will also be allowed to have each partner fish alone for one tournament or one of the members may fish alone twice during the season. If a competitor elects to fish a Renegade Bass event alone, they must notify a member of the executive **at least one week** prior to such event.

There are absolutely no substitutions for the Classic as such; all Teams must participate as originally registered or one of the anglers may fish as an individual with an assigned scrutineer.

PENALTIES

1. There will be a 4oz penalty for each dead fish weighed in, and dead fish are not eligible for a Big Fish award.
2. The late penalty is 1 pound (16oz) per minute, up to a ten-minute maximum, at which point the team will be disqualified from that event.
3. Any fish weighed in, less than 12 inches in length (measured from tip of tail to tip of nose) **will result in the immediate disqualification from that event.**
4. If a team at any point transports (in their livewell) more than five (5) fish under power of the combustion engine, their catch will be culled, commencing with the largest fish and will continue until only 5 fish remain. Fish that have died and have been bagged and stored elsewhere in the boat for proper disposal at the end of the event will not violate the aforementioned rule.

SHORE LEAVE

All contestants must remain in their boats at all times during tournament hours except when instructed at tournament headquarters. Participants may only exit their vessel to use washroom facilities. One team member must stay in the boat at all times.

SAFETY

As a function of safety, all teams are obligated to check in with the Tournament Director at the end of each tournament. In the event that a team must leave early, the team **must absolutely** check in with the **Tournament Director** before leaving the site. Failure to do so may result in a penalty.

LIFEJACKETS

All anglers must wear a personal floatation device (PFD) or lifejacket at all times while under power of the internal combustion engine during tournament hours. Participants may elect to wear a self inflating PFD while under power of the combustion engine. Please note that a self inflating PFD does not qualify as an approved floatation device unless it is worn. Therefore anglers are cautioned to have at least 2 conventional PFD's or lifejackets on board if they wish to remove their inflatable PDF while fishing.

CULLING

Only five fish are permitted in live-wells while under power of the main engine. Any competitor caught culling a dead fish back into the water or on land will be immediately disqualified from the event. Culling of a dead fish will be allowed provided that the competitors keep the dead fish in a bag, elsewhere in their boat, during the tournament. Competitors cannot leave the dead fish in the live-well. When anglers check-in, they must notify the tournament director of the dead fish.

SCORING

Cumulative weights will be recorded for each team throughout the qualifying series. Teams will be ranked according to their total aggregate weight, irrespective of the number of qualifying events fished. The top thirty teams (based on a Sixty-Five team field) qualify for the classic. If more than 65 teams participate in the qualifying series, the top 50% of the field will be eligible to participate in the Classic to a maximum of 40 teams.

In the event of a tie for first place, a sudden death "fish off" will determine the ultimate winner. The team weighing in the first legal fish while adhering to all of the standard tournament rules will be declared the winner.

SPORTSMANSHIP

All contestants are required to follow high standards of sportsmanship, courtesy and conservation. Anglers must conduct themselves in a manner that will be a credit to themselves, the Renegade Bass organization, the Renegade Bass sponsors, the sport of fishing and Renegade Bass's efforts to promote the sport. All contestants are obligated to adhere to the tournament rules and procedures as well as any additional instructions communicated by the Tournament Director. Interpreting and potentially manipulating a rule or the spirit of a rule in the interests of advantage will be deemed a violation of the sportsmanship code and will result in a penalty.

Examples of conduct not complying with those standards include, but are not limited to, the following:

- Any act or inflammatory statement by any contestant that, in the opinion of the Tournament director, is detrimental to the operation of the tournament, damaging to organized bass fishing, to Renegade Bass or any of its sponsors, or to regulatory agencies or their officers (such as rangers, wardens, fishery biologists, etc.) during the practice round or tournament, may result in a temporary suspension or expulsion from all future Renegade Bass tournaments.
- Violation of or failure to comply with any of the Renegade Bass rules, regulations, guidelines and procedures.
- Any act that is considered threatening behavior to another competitor, Renegade Bass shore staff, Renegade Bass executive member or tournament director.
- Failure to comply with directions or orders given by the tournament director. (i.e. when to bag fish, when a competitor can load their boat.)
- Failure to comply with municipal, provincial and federal laws and regulations. (i.e. This will also include complying with all official Federal marine speed limits, and all no wake zones).
- The use and or possession of illegal drugs or the consumption of alcoholic beverages will not be tolerated at any Renegade Bass function.

PROTEST PROCEDURE

COMPETITORS WISHING TO MAKE AN OFFICIAL PROTEST MUST DO SO BY REPORTING TO THE TOURNAMENT DIRECTOR IMMEDIATELY BEFORE WEIGHING THEIR FISH. THEIR OFFICIAL PROTEST MUST BE SUBSTANTIATED BY AT LEAST ONE OTHER TEAM. A CONDITIONAL DEPOSIT OF \$ 100.00, MUST ACCOMPANY ALL PROTESTS. A REFUND WILL ONLY BE ISSUED IF THE PROTEST IS UPHOLD. THE PROTEST WILL BE COMMUNICATED TO AND ONLY TO THE TOURNAMENT DIRECTOR. AT SUCH TIME AND IN SUCH A MANNER, THE TOURNAMENT DIRECTOR SHALL MAKE HIS/HER DECISION; REPORT IT TO THE RENEGADE BASS EXECUTIVE AND THEN TO THE TOURNAMENT CONTESTANTS. THE TOURNAMENT DIRECTORS DECISION IS FINAL.
